July 10th-14th for non enrolled students	\$700

What is the benefit of Camp?

Campers will not only learn more hands-on skills in the barn, but they will also get more time in the saddle. This is a great opportunity for current students to get extra ride time on the horses, which will launch them ahead in their riding ability, as well as gain extra horsemanship/barn management skills in the barn.

What will each camper need?

- A good breakfast!!!! Please avoid cereal with cow milk. In the past we have experienced campers getting sour stomachs in the heat.
- Riding equipment (Helmet, paddock boots, half chaps, and riding pants)
- Lunch, snacks, and at least a ½ gallon of Water and electrolytes (no sodas please).
- Weather appropriate clothes (it is Summer, so the weather can be rainy, windy, and HOT!). We HIGHLY recommend UV long sleeve sun shirts, sunblock, and again PLENTY of WATER.
- A change of clothes that you do not mind getting dirty, wet, and gross. Rubber boots are always a plus over sneakers..

Non Enrolled Students

Camp is not just for students that are currently enrolled in the lesson program. ALL RIDING STAGES WELCOME. If campers are sick, please keep them at home. Camp days will not be made up. Refunds will not be granted.

Regularly Scheduled Lessons

Campers are still required to attend their scheduled lesson times. Camp will not be a substitute for lessons. Campers not enrolled in our lesson program may join at any time.
